

GRAB. GO. GET TO WORK.

Introducing Raven Safety Pull Packs — the next evolution in disposable glove packaging. Designed for mobility, cleanliness, and efficiency, Pull Packs dispense gloves cuff-first, one-at-a-time, keeping every glove protected and ready to use. The lightweight, resealable pack pops open and snaps closed for quick access wherever the job takes you. No more crushed boxes, wasted gloves, or mess — just clean, compact, reliable convenience that fits perfectly in your toolbox, glovebox, gear bag, or junk drawer. Stay prepared. Stay productive. One pull at a time.

PRODUCT FEATURES

- Effortless One-at-a-Time Dispensing**
- Gloves come out cuff-first for faster, cleaner donning
 - Prevents clumping, tangles, and grabbing more gloves than needed
- Compact, Flexible, Portable, and Water Resistant**
- Designed to fit anywhere: vehicle gloveboxes, toolboxes, tackle boxes, makeup kits, and jobsite bags
 - Lightweight, crush-proof format replaces bulky cardboard boxes
- Clean & Resealable**
- Resealable snap closure keeps gloves protected from dust, moisture, and contaminants
 - Maintains glove integrity from first glove to last

- Reduces Waste**
- One-at-a-time dispensing helps eliminate dropped, contaminated, or unused gloves
 - Supports sustainability by minimizing PPE waste and unnecessary consumption

- Built for the Job**
- Ideal for mechanics, contractors, first responders, DIYers, and anyone on-the-go
 - Fast access makes glove changes smooth and efficient

-
