Stylish and comfortable, the Rider is crafted with full grain cowhide leather and Cambrelle® lining offering superior comfort, durability and moisture management. The high heat resistance rubber outersole makes the Rider ideal for workers exposed to sparks and molten material and require a quick exit. The Phylon cushioned midsole, polyurethane innersole and ForefootFlex ensures that the Rider works with your feet. Steel toe cap complies with ASTM F2413-11 (M I/75 C/75).
